

Holiday Punch

I made this [Christmas Sangria](#) last year and is great for those folks that are red wine fine ;)

Ingredients:

- 6 ounces of cranberries
- 1 sliced orange
- 1 cored apple, cut into wedges
- 1 cored pear, cut into wedges
- 2 bottle of your preferred red wine
- 1 liter club soda or tonic water

Instructions:

- Muddle cranberries in a large pitcher and use the back of a spoon to crush them up against the sides (personally, I like to keep some whole because they add a nice crunch and tons of flavor!)
- Add the orange, apple and pear into the pitcher
- Pour in the wine and stir
- Chill overnight
- Before serving add the tonic water/club soda and ice!
- Serve chilled & Enjoy!

Now, if you prefer some light white Sangria, this [Cosmo Punch](#) is for you!

Ingredients:

- 30 oz vodka
- 10 oz citrus liqueur (we used triple sec!)
- 13 oz white cranberry juice *(we used a full bottle to lessen the strength a bit!)
- 8 oz lime juice
- Ice
- Frozen cranberries

Instructions:

- Combine all ingredients except cranberries into a bowl and mix well
- Garnish with frozen cranberries and serve in martini glasses
